

\$10

OREGON
LOTTERY®

CASH FRENZY

OVER \$2.5 MILLION IN PRIZES!

Gently scratch the coins and stacks of cash to find the 5 winning numbers, your 24 numbers, and prize amounts. To win a prize, you must match any of your numbers to any of the winning numbers. If you win in any row, scratch the multiplier for that row to find a **1X**, **2X**, or **5X** that you will use to multiply the prize won. Each row plays separately.
